

The Kid on the Mountain (slip jig)

anonymus (Ireland [HN])

Rhythm: slip jig

Source: Henrik Norbeck's *Abc Tunes – 1625 Irish Tunes* (2001) (<http://home1.swipnet.se/~w-11382/index.html>)(=[HN])

Notes: O'Neill's has a sixth part that John B. Walsh never heard played.

Deze (van de vele versies [O'N1001], [MK], [J.Walsh])

lijkt het meest op, wat ik in mijn hoofd heb

van sessies, Bothy Band en Alan Stivell. [Eltjo]
